Operations & Client Success Leader | Process Optimization · Team Development

jordan.lee@example.com +1 (555) 010-4477 Boston, MA linkedin.com/in/jordanlee-example

PROFESSIONAL SUMMARY

Results-driven Operations and Client Services leader with 6+ years optimizing workflows, developing teams, and lifting customer satisfaction. Track record: cut purchasing costs 12%, raised on-time delivery from 86% to 96%, sustained 94% CSAT across 40+ daily client interactions. Fluent in budget management, cross-functional collaboration, and data-driven process improvement.

WORK EXPERIENCE

Operations Coordinator

Meadowbrook Services (Demo), Boston, MA

Feb 2023 – Present

- Optimized scheduling for a 12-person team, lifting on-time service delivery from 86% to 96% in six months.
- Spearheaded a standardized handover protocol, cutting redundant work 25% while holding QA standards.
- Managed a $60K annual supplies budget, achieving 12% cost reduction through vendor negotiation and comparative analysis.

Client Services Associate

Harbor Community Centre (Demo), Boston, MA

Aug 2020 – Jan 2023

- Managed 40+ daily client enquiries while sustaining a 94% satisfaction score across quarterly reviews.
- Developed an onboarding guide that improved appointment readiness and cut missed visits by 18%.
- Mentored 5 new colleagues, accelerating ramp-up and enforcing service standards.

Volunteer Programme Lead

Neighbourhood Learning Network (Demo), Boston, MA

Jun 2019 – Jul 2020

- Directed 8 community workshops for 160+ participants, leading a 6-volunteer team end to end.
- Analyzed participant feedback and launched evening sessions, expanding access for working adults.

PROJECTS

Service Improvement Initiative

Process mapping, feedback analysis

Led a practical review of appointment booking and client handovers.

- Interviewed 15 clients and 6 colleagues to identify recurring delays.
- Piloted a simpler booking checklist, reducing average processing time from 20 to 14 minutes.

Community Skills Workshop

Planning, facilitation, budget management

Designed an affordable workshop series on communication and everyday financial planning.

- Delivered 4 sessions within a $1,200 budget; 92% of attendees rated the sessions useful.
- Prepared reusable worksheets so volunteers could run future sessions independently.
